

THE OBJECTIVE

Our objective is to provide a volunteerism experience that brings cities together for one community cause. We look to give groups, organizations, and businesses the opportunity to collectively complete assignments and task.

We're excited that you have interest in dedicating your time to volunteer with our project. A passion to help others and be the change you wish to see in your community. Starts here!

We're on a mission to offer each of our volunteers the opportunity to be apart of our "Core Cargo Team" these volunteers who really wish to get in the trenches of our work. Helping tackling day-to-day tasks that takes our project to the next level.

Our goal is to have productive volunteers in every city which we place our free mobile hygiene closets. Great local volunteers lead to successful schools and communities being served.

OUR POSITIONS

School Coordinator

Our School Coordinators are in charge of building working relations with local title one schools that could utilize the service of the project. making contact and building a connection with administration and educators.

School Managers

Our school managers are responsible for making sure our mobile hygiene closets are fulfilling our purpose and providing service in the community. This position is responsible for managing our (trashcans) and direct communication with school liaison or administrator. Responsible for contact forms and data from students.

Community Liaison

Our Community Liaison responsibility is to build a resourceful relationship with community advocates and businesses and organizations. finding the needs of the community in the radius of a town, city, or county. they also locate the best destination and find business owners that will be more reluctant to participate with the clean cargo project.

Family Connector

Our family connector find different families that utilize the clean cargo project on a daily basis. Reaches out and learn their story. Ask that family to share their story to our audience. We wish to be transparent in our service. Letting families share how or impact has helped.

OUR POSITIONS

Volunteer Director

This position is our glue to keep all of our volunteers consisted and busy. There's always things to be done. Our Directors job are to recruit and connect with the community as they wish to serve. Being knowledgeable of all duties and needs. Assigning individuals as needed to successfully complete projects and task.

Greek Liaison

This position is to introduce "Greek Life" in your city to Clean Cargo Project. Connecting presidents, chapters, and members to learn how they could make CCP apart of their service or fundraising goals. (We prefer that you are apart of a sorority of eternity for this position).

Intern Manager

This position is to help manage all interns as they wish to successfully complete our eventful internship. You would be in charge of managing all interns in your cities or apart of the management team. You will be responsible for making sure all intern task are completed in timely manner. Responsibilities also include recruiting and the interviewing process for potential candidates. Making sure we run a structured, purposeful, enriching experience.

OUR POSITIONS

Cargo Runner

This position is for those who just wish to get in the trenches and become a part of our daily activities. Normally our runners are traveling to different locations to manage our hygiene drives or transport as needed. Teaming up with other volunteer members and helping complete task as needed.

County Coordinator

Do you know all about your Country. Great with landmarks, know about the schools. Enjoy speaking with civilians and business owners? Familiar with the "who's who" and "mover and shakers"? If your answer is yes or you have the time to commit to learning. We look for you to be one of our "Country Coordinators". This position is also helping assist all other volunteer positions throughout to complete their task and goals. Working together to successfully fulfill goals. You are the go to and liaison for connecting the dots for Clean Cargo Project and your country.
